

**REMARKS/ARGUMENTS**

The Reissue Application Declaration by the Assignee has been completed to be in compliance with the guidelines set forth in 37 CFR 1.67(a), including: identifying a mailing address of each inventor; the citizenship of each inventor; the city and state of residence of each inventor; and identifying the amendment to the claims in the statement of error.

A statement of "no deceptive intent" is contained in the Reissue Declaration immediately following the statement of error.

The statement of error has been amended to identify the amendments to the claims.

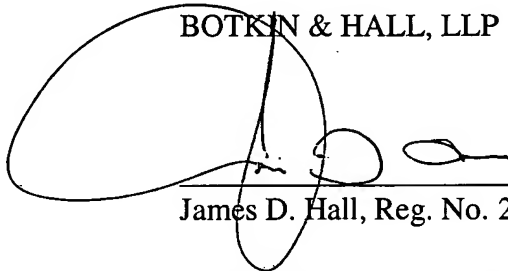

The executed Reissue Application Declaration by the Assignee is enclosed herewith.

An Addendum to the Preliminary Amendment For Reissue Application filed on December 4, 2003 is herewith submitted to make such Preliminary Amendment in accordance with 37 CFR 1.173, now including a statement of support of the specification for all additions to the claims, including new claims.

With the above changes and additions the Reissue Application is now presented in the form suitable for allowance.

Respectfully submitted,

BOTKIN & HALL, LLP

A handwritten signature in black ink, appearing to read 'James D. Hall', is written over a horizontal line. The signature is stylized with a large loop at the beginning and a trailing flourish.
